Weekly Briefings

Briefing ID #: 33990

ALL PRINCIPALS/ALL TEACHERS: ITS - MFA for Teachers Effective September 13, 2022

Category: For Your Information

Audience: All Principals/APS, All Teachers

Due Date: n/a

Meeting Date: n/a

Attachment(s): [MFA_-_Multi-Factor_Authentication.pdf](#)

The purpose of this briefing is to alert Principals and teachers to the last phase of the District's Multi-Factor Authentication (MFA) security initiative which will begin on Wednesday, September 14, 2022.

- Beginning on Tuesday, September 13, 2022, teachers will be required to MFA when accessing Microsoft email when off campus or using a personal device.
 - In February 2022, VPN users began to register for and be challenged by MFA. Since then, staff from all district offices and Regions have used this security method as an added layer of security that requires users to prove their identity using two or more verification "factors" to gain access to a resource such as an online account, application, or initiating a VPN connection.
 - Beginning on September 13, 2022, teachers will be included in the MFA process based on the following schedule, beginning with the Region with the largest number of teachers:
 - **North Region: Wednesday, September 14**
 - South Region: Wednesday, September 21
 - Central Region: Wednesday, September 28
 - Substitute teachers: Wednesday, October 5
 - Each Region will receive an email one week in advance of the activation.
- To prepare, Principals may wish to review Weekly Briefing #32125 which provides a report detailing the MFA Registration status for staff.
 - Several registration statuses are displayed (e.g., Authenticator App, Text Message, Phone Call etc.).
 - Employees with the status "NONE" have not yet registered for MFA
 - Access the new report from the Employee Portal:
 - Reports Tab
 - Technology Section
 - MFA Registration Status
 - The report includes the percentage of staff who have registered within the location.
- To assist staff with registration, webpage with a user guide and FAQ, along with buttons and links for quick access to MFA tools.
 - ITS has provided a desktop shortcut on all district machines (labelled Password Information).
 - If you cannot find the short cut, you may use this link <https://miamidadeschools.sharepoint.com/sites/AUTHFAQ>
- Currently MFA is used to verify identity when access District email. However, later this school year, MFA will also be required when accessing the Electronic Gradebook and SAP from off-campus or from a personal device
- Please ensure your staff is registered and prepared.

What is the Financial Aid Shopping Sheet?
How is it intended to be used?

VA 1.1

The Financial Aid Shopping Sheet is a consumer tool that is designed to simplify information that prospective students receive about costs and financial aid so that they can make informed decisions about which postsecondary institution to attend.

The form can be viewed at:

http://collegecost.ed.gov/shopping_sheet.pdf

The shopping sheet is also a requirement of the VA process.

The screenshot shows a financial aid shopping sheet for the University of the United States (UUS). The form is titled "University of the United States (UUS)" and includes a "Download" button. It is divided into several sections:

COE Training/Annual Report

District Sponsored COE Training for New Liaisons and Administrators

District Continued Training upon request

COE Annual Meeting November 8th through the 10th in Orlando Florida.

COE Training/Annual Report

Beginning with the 2022 Annual Report, there will be a new timeline for the release of the Annual Report software and submission deadline.

The submission deadline for the Annual Report will be March 1 (unless on a weekend).

The submission deadline for the 2022 Annual Report is Wednesday, March 1, 2023.

While the software release and submission deadline have changed, the reporting period covered in the Annual Report remains the same.

COE Training/Annual Report

For the 2022 Annual Report:

- Public, Non-Public, and Registered Apprenticeships will use the reporting period of July 1, 2021, through June 30, 2022.
- All responses and the FTE calculation should be for this reporting period.
- The CPL reporting period can be different but should not end later than June 30, 2022.
- The guidelines for the 12-month CPL reporting period have not changed.
- The 2022 CPL reporting period should start where the 2021 CPL reporting period ended.
- Institutions should NOT use calendar year 2022 as the CPL reporting period for the 2022 Annual Report.
- This would not leave enough time for follow-up on Placement and Licensure.

COE Training/Annual Report

COE Training Hour

Starting Wednesday, November 2, 2022, I will offer bi-weekly COE Training Hour Reviews. We will review the check sheets Standard-by-Standard and identify and share exhibit recommendations. I will also answer any questions regarding upcoming COE scheduled visits and preparation.

Zoom Links will be forthcoming.

Financial Aid Audit Findings, Response and Future Compliance Strategies

This publication, “Compliance Tips and Information,” will serve as a periodic communication tool to house important compliance tips for VA, FA, and COE information. In addition, essential articles, links, and videos will be shared to ensure all technical colleges are informed to support your VA, FA, and COE compliance criteria. Feel free to contact me regarding any information enclosed. I will be happy to assist further.
